

BAD BOY MOWERS

MOW WITH AN *Attitude*

It's our legacy. The driving force behind every mower we build. It's a promise to every owner that we'll continue to lead the industry in delivering innovation and powerful mowing performance across our entire mower lineup.

And we do it all for mowing pros and demanding homeowners—just like you.

BAD BOY MOWERS

2020 TESTED AMERICA, AND US.

Like everyone else, we hit the brakes hard when the COVID-19 virus struck. Expecting the worst, we shut down most production, and waited for what came next.

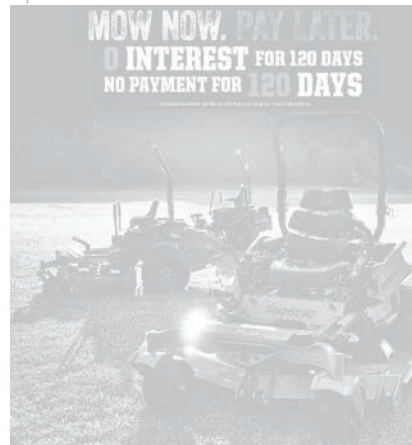

But then demand for our mowers came pouring in from around the country. In order to keep up, we got back to building, doubling our production capability, and bringing more than 350 employees right back to work.

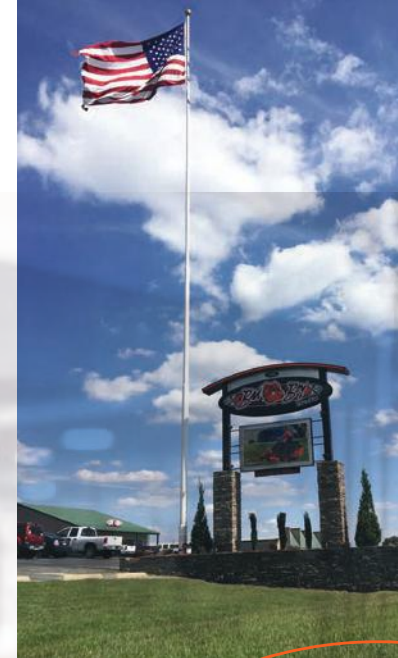

We found ourselves on the cutting edge of the great American comeback. By working with our dealers and suppliers, we added more ways to go from zero to zero-turn mowing by offering special financing and more ways to pay than ever.

We're adapting to growing even bigger and better, with a better mower for a stronger America.

We highlighted dealers on social media, who were working through new COVID-19 restrictions—that varied state-to-state all across America—to get the word out about successfully navigating in the new selling landscape. Big Schwag and Mallory played key roles in reinforcing Bad Boy Mowers manufacturing ramp up and our dealer's success in sales, customer service and financing programs.

THINKING BIG. IT'S HOW WE ROLL.

Unique to Bad Boy is our own rolled steel leveling system and sheet cutting plant. Buying steel rolls directly from mills, in bulk, allows us to control costs and pass those savings on to you. It's a big reason we're the best dollar-for-dollar value in the zero-turn mower industry.

WE'RE TECHNOLOGY GEEKS.

Nobody deploys more technology and robotic power in mower manufacturing. Between our robotic laser cutters turning out 20,000 lbs. of steel per day, and our one-of-a-kind deck bender handling 120,000 lbs., we bend, cut and shape more than 32 million lbs. of steel per year.

WE MAXIMIZE MAN AND MACHINE.

Relying on the craftsmanship of 40 welders per shift, they work alongside the finest robot welders, capable of producing more than 500 machines every single day. Our array of advanced laser cutters are capable of cutting out a complete deck in three minutes, and a frame in four.

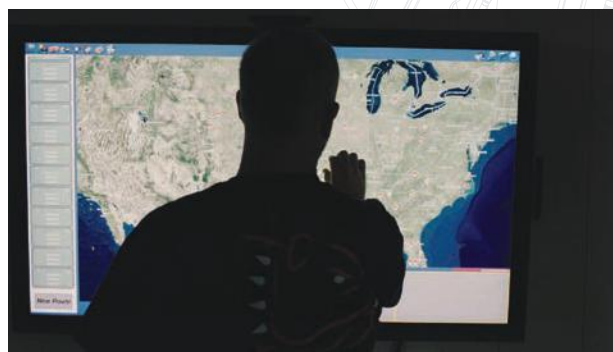

WE WORK SMARTER TO BUILD OUR MOWERS STRONGER.

It takes brains *and* brawn to build a mower as ruggedly simple to operate, easy to maintain and provide the best value—over years of use—as a Bad Boy Mower. Over-built and over-horsepowered since the very beginning, our mowers represent the very best in delivering classic, American muscle. We continue to improve the process of building and innovating our mowers so that every single one is delivered for you to **MOW** WITH AN *Attitude*

OUR POWDER COAT LINE IS 2X BIGGER. TOUCH AND GO MOWER SHIPPING.

We maintain two of the most sophisticated powder-coat lines in ANY industry, and the largest in our state by double. These systems fuse our orange color right into the steel, for durable, long-lasting protection. These systems run virtually day and night to keep up with demand.

Shipping is right at our fingertips. Our touch-screen integrated software, developed in-house, automatically selects the most efficient delivery routes for our drivers. This software has saved us millions in fuel costs over the last few years, and gets your mower to you faster.

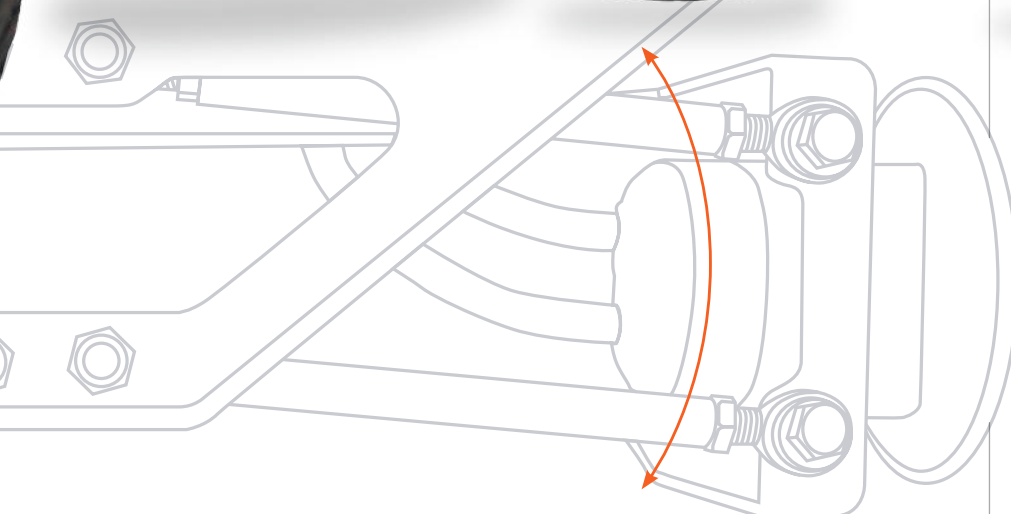

SHIPS OUT, READY TO MOW.

No stock boy assembly required. With our fleet of customized shipping trailers, (customized ourselves, too) we drive them up on two levels and they're ready to mow as soon as we drive them off. It's the last step in the process of controlling our costs so we can deliver you more value.

LEVEL ANY PLAYING FIELD

Revolutionary. Patented. Only on a Bad Boy.
3-Link Trailing Arm Suspension System

Bad Boy Mower's patented EZ-Ride® GEN2 Suspension System is a first for zero-turn mowers. Patterned from legendary off-road suspension systems, it provides a smoother ride with greater tire contact with your terrain, producing better traction and hillside stability. Paired with our patented independent front suspension, there's just no other mower that delivers the powerful ride as comfortably as a Bad Boy Mower.

JAW-DROPPING PERFORMANCE

Our dual pump belt system is only available on our top-of-the-line Renegades for lawncare pros that demand bottom-line results. Evenly distributing the load from crankshaft to blades reduces wear and tear on the engine and drive components while increasing belt life up to 50%.

THE PERFECT FIT FOR YOU

Move the deck lift pedal from right to left, the floorboard from front to back or the steering handles in or out. It's your choice because we built it just for you.

THE BRUTE FORCE TOP DOG DIESEL.

Applying 1100cc's of diesel torque to whatever wide open territory you mow has never been built to feel more comfortable.

PUMP & DRIVE BELTS

Factory replacement reinforced Kevlar® belts last longer and stand up to the toughest conditions.

ENGINE OIL

Premium synthetic blend Engine Oil is specifically made for your Bad Boy Mower to ensure longer engine life.

HYDROSTATIC OIL

Synthetic blend Hydrostatic oil is blended specifically to keep your Bad Boy Mower running cooler and at optimum performance.

ETHANOL GUARD

Fuel stabilizer keeps fuel cleaner longer. Pour directly into fuel tank to extend fuel storage life, prevent corrosion, gum formation and remove water.

KEEP YOUR BAD BOY FACTORY FRESH WITH AUTHENTIC

manufacturer's Replacement Parts and Fluids. These are the same belts, fluids and blades your Bad Boy Mower left our factory with. Continuing to service your mower with these high-performance replacements will always keep your mower running and cutting like new season after season!

FUSION® BLADES

These stay-sharp blades feature ultra-hard Tungsten Carbide cutting edge. These blades stay sharp twice as long as ordinary mower blades!

CUSTOM RIMS

Custom Rear Rims are machined from high-grade aluminum. Available in several styles.

WHEEL DEALS.

FIELDTRAX® TIRES

Get a grip on any and all terrain with the traction and footing our FieldTrax® tires provide. Not available for MZ line.

BAR-LUG TIRES

Tractor-style tread for traction on the toughest terrain. Perfect for grip-and-rip performance. Not available for ZT Avenger or MZ line.

MICHELIN® TWEELS REAR TIRES

Never worry about flat tires again with this revolutionary rear tire tread technology. Offered ONLY on Outlaw Class Mowers as a factory upgrade.

MICHELIN® TWEELS FRONT TIRES

Revolutionary front tire tread technology now available in the front for Outlaw Mowers.

REAPER® TURF TIRES

A Bad Boy Exclusive! Feature softer sidewalls for smoother ride and wrap-over grip edge for greater traction on uneven terrain. Excludes MZ.

NO FLAT FRONT TIRES

Solid form front tires continue to perform even if punctured. Sizes to fit all models except ZT Avenger.

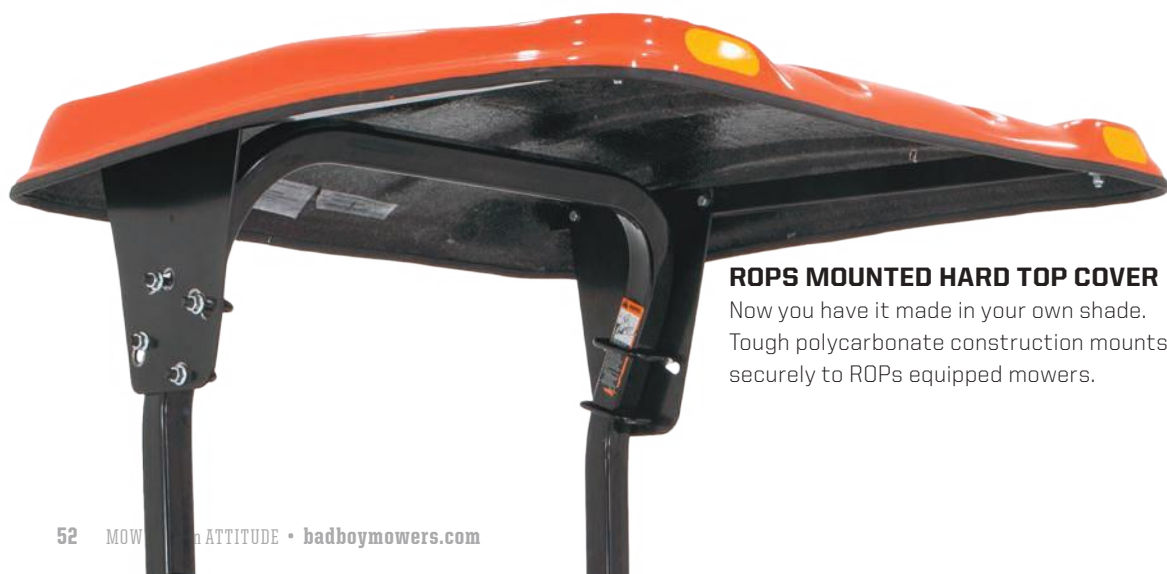

CHROME PLATED WHEEL COVERS

These front and rear rim covers will add shine to your Bad Boy. Not available for MZ line.

LOOK SHARP.

SOFT TOP CANOPY FOR ZT & MZ

Shade is easy to attach and doesn't require our ROPs for installation.

ROPS MOUNTED HARD TOP COVER

Now you have it made in your own shade. Tough polycarbonate construction mounts securely to ROPs equipped mowers.

ROLL-OVER PROTECTION SYSTEM (ROPS)

Optional for ZT and MZ Class mowers, and recommended for mowing on sloping terrain. Hitch pins allow ROPs to fold over for compact storage and includes required seat belt option.

ROPS STRING TRIMMER MOUNT

Securely take your string trimmer anywhere you mow.

ROPS LED LIGHT BAR

12000 Lumen, high-intensity, low amperage LED Light Bar is enclosed in durable cast aluminum housing with stainless steel mounting hardware, wiring harness and lighted rocker switch.

R-SERIES TANKS LED LIGHT KIT

Complete light kit for R-Series Class mowers. Fully assembled on metal plates with everything you need for easy installation.

DUAL LED LIGHTS

8000 Lumen, high-intensity, low amp LED lights in cast aluminum housing. Hardware and lighted rocker switch.

ROPS MOUNTED SOUNDBAR

Wet Sounds® Bluetooth six-speaker soundbar with RF Wireless remote provides your favorite thump-pumping, get-it-done music.

HEADPHONE AUDIO SYSTEM

Keep your music to yourself when you take to the lawn. Plugs into Bluetooth audio system that drives your playlist while you drive your Bad Boy.

WITH THE ADVANCED CHUTE SYSTEM'S VARIABLE STAGE ALL-STEEL SHIELD, YOU CAN EFFECTIVELY AND ACCURATELY CONTROL THE DISCHARGE FROM YOUR ZERO-TURN MOWER.

Closing the Advanced Chute System completely prevents discharge into flower beds, driveways and swimming pools. In high-density areas where flying debris can damage windows, vehicles or even people, keeping the advanced chute at a semi-closed position forces debris down immediately, preventing straight line discharge at speeds of over 200 mph! Built for commercial lawn and garden professionals and zero-turn mower homeowners alike. Plus, the Advanced Chute System also turns your mower into a powerful mulching machine, perfect for fall leaf cleanup!

REAR FRAME STRIPING KIT

Lay down baseball field precision stripes with our kits featuring heavy-duty, pliable rubber flaps. Versions for R-Series and ZT Class mowers.

FRONT CASTER BRAKES

Exclusive and unique braking system quickly locks front casters for straight runs for striping.

PRO UP.

REAR DECK MOUNT STRIPING KIT

Mounts to back edge of the deck and adjusts with deck height for desired effect. Fits ZT, Maverick and Diesel Models.

BUMPER GUARD

Available in 8" and 14" lengths, these rubber guards offer front impact protection for your ZT or MZ mower.

FRONT MOUNT TOOL BOX RACK

High-impact, weather-sealed tool box mounts in front receiver hitch and provides convenient, easy-to-get-to storage of tools.

BUCKET AND TONGS

Attaches to front receiver hitch (or side receiver on Stand-On Revolt) for easy access to snap up trash without ever leaving your mower. Bucket is also sold separately.

MULCHING KIT

For the demanding non-bagging professional, closed channel bolts to the underside of the deck, blocking discharge. Wavy mulching blades are included with the kit.

MULCHING BLADES

Replaces your standard cutting blades. Available for all size deck widths.

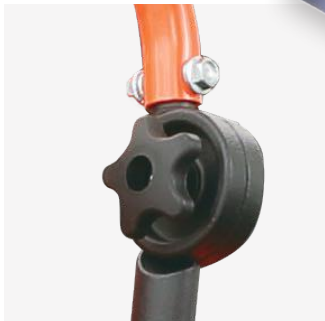

ASSIST HANDLE

Handy assist for mounting and dismounting mower. Attaches to front frame and fits all models.

BELT TENSION GUIDE

Properly calibrated for measuring perfect belt operation. A must have tool for the do-it-yourself mower maintenance owners.

ADJUSTABLE HANDLES

Bolt on your steering levers for completely adjustable operator fit. Available for ZT and MZ mower models.

MOWER COVER

One-size covers all, fits both ROPs and non-ROPs equipped Bad Boys.

SEAT ISOLATION KIT

Suspension plate attaches between seat and mower for reducing vibration and fatigue. Not available for MZ line.

REAR R-SERIES BASKET >

Made specifically for our R-Series, it's the perfect companion for traveling with extra gear, tools or yard grooming accessories.

< REAR BASKET

Made for MZ, ZT and Maverick mowers, handy for handling yard tools or other personal items.

POWERED 2 AND 3 BAGGER SYSTEMS

Features a mower-assisted blower and heavier-duty metal sealed bearings to make easy work of grass and debris clippings. Easy to remove for quick disposal.

POWERED BAGGER FOR REVOLT

Mower-assisted blower for the Stand-On Revolt. Features large capacity, easy to empty bags.

FRONT WEIGHTS

For use with bagging systems.

ACCELERATOR GRASS CATCHER

Replaces the chute on your Bad Boy and is quick and easy to install, and even easier to unload your discharged clippings. Fits all but our 72" decks.

R-SERIES HITCH

Fits in receiver hitch and is removable with pin.

TOW HITCH

For Compact Outlaw, Maverick, ZT and MZ Mowers.

STEERING ARM PADS

Provide additional support for arms, especially on models that do not have arm rests. Great for extended mowing days.

SIDE BAGGER

Convenient and large 3.75 bushel capacity quick mount bagger is perfect for our most popular models, including the Stand-On Revolt.

SNOW PLOW

Powered plow attaches to front hitch holder and is operated by fingertip control attached to steering levers. For R-Series Mowers.

MOWER LIFT

For lifting MZ and ZT Class mowers for under deck maintenance and cleaning. Locking arm prevents mower from lowering accidentally. Not for Commercial Class mowers!

TRAILER SPRAYER

Pull behind, high-capacity powered sprayer with hand-held wand. Boom sold separately.

PATENTED SULKY

Featuring EZ-Ride® technology, our Sulky is perfect for smooth, hop-on ride-ability. Works for other Walk-Behind brands.

DE-THATCHER

Springed steel tines comb embedded clipping from turf. 40" wide.

UTILITY TRAILER

Heavy-duty, 17 cubic ft. capacity all-steel trailer with tilt bed.

SPREADER

Seed or fertilize with ease with our variable output spreader.

PULL-BEHIND ROLLER

Fill with water for proper working weight. 36" wide.

AERATOR

Blades punch holes in turf to promote better turf. 40" wide.

SWEEPER

Makes short work of collecting clippings or leaves. Easy to operate and dump. 42" wide

ALL GEARED UP TO MOW...AND MORE.

ROPS MOUNTED HAZARD LIGHT

Warning light for high traffic and busy areas around parks, highways and commercial businesses.

WORK GLOVES

Soft leather, fit great and are tough as nails.

PROTECTIVE SUNGLASSES

UV and wrap-around protection of our branded sunglasses provide safe, glare-free good looks.

FRONT STORAGE CONTAINER MOUNT

Metal tray attaches to front receiver hitch on R-Series mowers and includes cargo netting for keeping your items secure.

FRONT MOUNT SPRAYER

Mounts in front receiver hitch on R-Series mowers, the versatile power sprayer is handy when seated or if you need to get to hard-to-reach areas off the mower.
